

Have You Heard The News?

Bosch Rexroth- ConExpo

Samsung- CTIA

The Spotlight: Recent Lighting Jobs

Exhibit Lighting Group continues to provide its theatrical lighting services for a wide-variety of customers and shows throughout the country. In the last month, we have had the privilege to provide our services for Speedline (APEX), Cell Star, Samsung & Plantronics (CTIA), Bosch Rexroth (ConExpo), Exhibitgroup Giltspur and Derse Exhibits (Exhibitor Show). Not pictured were jobs for Audi (Dealer Meeting), Triton (ICBA), Central Pet (GPE), Boehringer Ingelheim (multiple shows), SS Pharmaceuticals (multiple shows), and Gizmondo (PDC). We know that you will not find a company that is as hard-working, attentive, and dedicated to its customers as Exhibit Lighting Group.

Exhibit Lighting Group- Not Just A Vendor... A Resource

Exhibit Lighting Group provides award-winning theatrical lighting services for trade shows and corporate events. Our services include theatrical lighting design and consultation, supervisory labor services, and rental equipment packages. In addition, we are pleased to package our theatrical lighting services with the audio-video services of one of our AV partners to provide you with the best, most competitively-priced lighting/audio/video packages in the industry. Some of our lesser-known services that we offer to our customers, FREE OF CHARGE, include in-person meetings and consultation during project development, customer-side Account Executive lighting sales assistance and consultation, and overall job technical direction and consultation. We jump through hoops to assure our customers' success. Experience our motto: *Service Beyond Expectation™*. Visit Exhibit Lighting Group on the web at www.exhibitlightinggroup.com or call (818) 710-8152.

Ask The Lighting Guy

Q: What do you need to put together a lighting proposal, and how long does it take to receive?

A: We can develop a lighting proposal based on a simple sketch of your floor plan. However, the more information you provide to us (renderings, etc.), the more detail we can include in the proposal. We typically turn-around proposals within twenty-four hours.

Have a question for the lighting guy? Call Exhibit Lighting Group or send your e-mail to info@exhibitlightinggroup.com.

Do you have a suggestion for the next Exhibit Lighting Group newsletter? E-mail your ideas to: newsletter@exhibitlightinggroup.com.

Looking Forward

Look for our lighting at these upcoming shows during the month of April: Pri-Med West, NCTA, AATS, ACP, AAN, NAB, FMI, and KBIS. Watch for photos in next-month's e-news letter!

Exhibitor Show Wrap-Up

Exhibit Lighting Group was represented in a variety of places at this year's Exhibitor Show in Las Vegas. Aside from exhibiting at the show, Exhibit Lighting Group provided the theatrical lighting services for its customers, Derse Exhibits and Exhibitgroup Giltspur. Jeff Rudner, President of Exhibit Lighting Group, led session #602: Theatrical Lighting for Trade Shows and Events, where live theatrical lighting demonstrations were used to enhance the learning experience.
